

FREE TIME ON THE ESTATE: We understand that while your group is visiting Dumfries House Estate you may wish to have some free time to explore. To make sure that you, our team, and our other visitors have an enjoyable visit please follow the guidelines below during your visit.

ACTIVITY SPACES: Some areas of our estate need to be treated a little differently than others, these might be places where people work, or areas that need care and attention. Check the map below for our activity spaces and a guide to what would be considered appropriate behaviour in each space.

SUGGESTED ACTIVITIES

STUDY SPACE: Educational activities such as drawing, carrying out a survey, group study etc.

MINDFUL SPACE: Guided walks, nature hunts, plant or flower observation, group discussion.

ACTIVE SPACE: Free play, physical challenges, team building, noisy games.

RESTRICTED AREAS

Some areas of the estate may have restricted access on the day of your visit, please pay attention to signage around the estate. Our education spaces such as Valentin's Farm, the Outdoor Residential Centre, the Engineering Education Centre and the Education Garden may be closed for use by other groups. Use of these buildings for toilets and educational activities is by pre-arranged booking only, email education@dumfries-house.org.uk to make a booking enquiry.
